Christmas gift of giving

THE ultimate gift this Christmas is the gift of giving and thanks to www.simplygiving.com.au, making someone's Christmas extra special has never been so easy.

Every Christmas, charities help thousands of Australian children who would otherwise go without.

They rely on your generosity so that these children can be

included in the spirit of the festive season.

This year, Simply Giving has teamed up with Australian charities to allow donors to purchase appropriate gifts online for those who need them most.

Donors can purchase a gift online for their chosen charity and Simply Giving will deliver the gifts directly to the charity to distribute.

The site gives simple steps to make your transaction easy.

You can choose to donate your gift to a number of charities including The Smith Family, Mission Australia, Variety, Barnardos, The Salvation Army, Anglicare, The Starlight Children's Foundation, OzChild and the Benevolent Society.

The webpage has links to each charity's website for those inter-

ested in gaining further information.

Each page is set out neatly and the reader is never overloaded with information.

There's a contacts page and competitions for generous donors to walk away with an extra Christmas present as well.
